

IAB Plenary Report

Leslie Daigle

IETF60, San Diego, CA

August 4, 2004

Recent IAB document highlights

- See all the published ones at:
 - <http://www.iab.org/documents/selected-iab-documents.html>
- Published/in publication queue
 - IAB Concerns and Recommendations Regarding Internet Research and Evolution (draft-iab-research-funding)

Upcoming IAB activities

- Putting together a plan for a messaging workshop
 - September/October timeframe
 - Looking at some of the higher level architectural issues in messaging (in general), to identify potential proposals for IRTF or IETF work
 - Expect to provide a preliminary report at the next IETF
- Draft-iab-liaison-mgt, and draft-baker-liaison-statement
 - Describing IETF liaison relationships (IAB document), and process for handling liaison statements
 - Will be put for community review/last call upon next revision
